ST. ANTHONY HIGH SCHOOL

BULLDOGS

Celebrating Excellence in Athletics

A Year Of Success

Welcome

St. Anthony Boosters,

The 2023-2024 school year was a great success for our sports teams. Our high school sports had a team or individual advance to the IHSA state tournament in 11 sports. In five of these sports, St. Anthony produced two state championships, a 3rd place trophy, and two individual state championships. The high school also produced five regionals, four sectionals, six NTC championships, and four NTC tournament championships. The junior high held its own with 9 sports or individuals advancing to the IESA state tournament and producing two state champions, a 3rd and a 4th place in state, along with two individual state champions.

All of this success for our student-athletes is a credit to dedicated coaches, administration, and parents that have kept the traditions of St. Anthony alive and well. The Booster Club is also proud to be a part of this tradition. The Booster Club has evolved over the years and is trying to stay ahead in this ultra-competitive sports culture. The 2024-2025 officer team and the advisory board takes great pride in providing financial support, transportation, maintaining facilities, new uniforms and equipment, while still planning for future projects.

This wouldn't be possible without all of you. The Booster Club can only provide this excellent tradition by purchasing memberships, making donations, buying from concession stands, and being a part of our fundraising opportunities. Another way to help this process is through volunteerism. Since we are a committee of nine, we are always looking for more volunteers to help usher, take tickets for admissions, help with hospitality rooms/concession stands, and extra help putting on many of the post season events that we host. If you are interested in helping financially, with your time, or both please fill out the card in this booklet and continue to help the St. Anthony Booster Club provide the highest level of support for our sports programs.

On July 13th, our community came together for a patriotic and exciting fundraiser - the Red, White, and Blue Jeep Run for Fun. This event was a roaring success, with great participation from our parish community.

- **Attended by 40+ Jeeps**
- **Raised \$3,600 towards purchasing a new Volleyball Standards Set**

We extend our heartfelt thanks to all who participated, sponsored, and supported this event. Your contributions drive our ability to provide top-notch athletic experiences for our students.
